10.4 LONG MILE

The overgrown hedges on the corner continue to obscure motorists' view. Cllr Mrs Pope advised that she has recently paid for the cutting back of the hedges on the Northfield Road side. Mr Don Ward has paid for the cutting back of the hedges on his side of the road. The Landowner, Mr Crispin Holborough, has advised that he has approached his tenant about cutting back the hedges and has agreed to update Cllr Mrs Pope on progress. Cllr Mr Walton was of the view that there were too many overgrown trees in the small area which were causing the view to be obscured.

Cllr Mrs Pope advised that the faded white lines also needed to be reviewed and repainted. This has been registered on Street Doctor and Cllr Mrs Pope has also emailed Loddington and Cransley Parish Councils and Jim Hakewell for their assistance as it is suspected that the Junction does probably now come under the jurisdiction of the Cransley Parish.

10.5 PATHWAY TO LODDINGTON

Cllr Mrs Pope reported that NCC had advised that the footpath between Thorpe Malsor and Loddington was the responsibility of Thorpe Malsor Estates. To date some of the hedges had been trimmed back but there was still more to be done.

Cllr Ms Sharp read out a letter that she had drafted on behalf of the Parish Council to Sheila Gilder requesting a review of their assessment as it was evident from her own investigations that the tarmac beneath the undergrowth was 1 metre wide but in most places this was over 50% covered. The letter was to be copied in to Loddington Parish Council.
